Parent/Teacher Communication

Many of you have been in contact with me through Class Dojo, Remind, or email which is awesome! However, to streamline all communication, I am asking that everyone contact me through my school email address: ggraham@ib327.com. The other programs have been experiencing some technology glitches recently, and I would hate to miss someone's message or question. You are also welcome to contact me by phone. I really appreciate your help with this matter!
