News You Can Use

- Please bear with me in Math as we work on Division. It is a very slow process as we work through all of the strategies. In the beginning, the work we are doing will look nothing like what we did in school. We will eventually get to the standard algorithm (how we learned), but it will take time. We will be doing a lot of in class work before I will feel comfortable assigning homework. If you have questions, please give me a call.
- Just another gentle reminder that we will be strictly enforcing the homework policy this semester.
- Midterms will be sent home on Tuesday, February 9th.
- The Love of Reading Night will be Thursday, February 11th. There will be a book fair in the IBES gymnasium.
