## News You Can Use

- \* I have photocopied another class list on the back of this newsletter for those of you who did not receive the first one that was sent home last week.
- \* We are currently doing a Novel Study in reading. Each class was divided into three groups. Each group is meeting with another teacher for the novel study. Mr. Graham is doing a novel study of The Watsons Go To Birmingham-1963. Mrs. Lox's group is studying Holes, and Mrs. Roberts' group is studying Charlie and the Chocolate Factory. You child should be bringing home an assignment sheet with their assigned homework. Please review and sign the sheet to confirm that their homework has been completed. If you have any questions, please contact one of us.
- \* Our next topic in math will be fractions. More information will be coming home in next week's newsletter.
- \* Remember that Friday is an 11:30 dismissal, and there will be NO SCHOOL on Monday, February 15th.
