THANK YOU!!!

I would like to sincerely thank all of the families that helped their student with the Social Studies artifact project. We saw many interesting artifacts and learned a great deal about each student's family and their heritage.

The students seemed to really enjoy this activity!! Thanks again for all of your help!

Parent/Teacher Communication

Many of you have been in contact with me through Class Dojo, Remind, or email which is awesome! However, to streamline all communication, I am asking that everyone contact me through my school email address: ggraham@ib327.com. The other programs have been experiencing some technology glitches recently, and I would hate to miss someone's message or question. You are also welcome to contact me by phone. I really appreciate your help with this matter!

Parent-Teacher Conferences

It is so hard to believe that it is almost time for conferences. The year seems to be flying by already!

Many of you signed up for conferences at Open House. I will be sending home a letter this week to remind you of your scheduled time. If for some reason you need to change your time, please let me know ASAP.

For those of you that were unable to attend Open House, I will send a letter home with a time listed that I still have available. If that time does not work for you, I will try my best to accommodate you.

I look forward to meeting with you soon!!!
