November Close Reading

During the month of November, we will be working on Close reading strategies in lieu of using the textbook. Each night, your child will be asked to reread their assigned passage and complete the assigned homework on their Daily Close Reading Check-list. Parents should sign or initial the check-list to confirm that the homework was completed. It is very important that your child complete the assigned homework and get their checklist signed each night. All materials should be returned to school the next day. If you have any questions about the Close Reading, please let me know!
