Research projects (**due Monday, December 14th**)

Science: Mystery Science: Habitats

Reading: Christmas Around the World readings
(Australia, Japan, Hanukkah, and Germany)

Christmas Around the World Research Project

The students will be completing a research project pertaining to Christmas traditions around the world. Each student has been assigned a country to research. The research project consists of a research paper, visual project, and an oral presentation. Students have copies of the expectations and rubric to share with you (pink document). A copy has also been shared with them electronically and can be accessed from their Google drive. The majority of the work will be done in class but some work on the visual project and oral presentation will need to be completed at home. The projects are due on Monday, December 14th to allow time for students to present to the class.

Camp Counselor Information

EMAIL: ggraham@ib327.com

PHONE: 309-389-5025

The best times to reach me during the day are before school begins (8:10), during my lunch hour (11:45-12:30), or afterschool. You can always email me at the address listed about. You can find a link to my email on my website.
